

# Even & Odd

Version 1 Teach THIS

## NUMBER OF PLAYERS

A game for two players (suitable for Years 3 to 6).

## WHAT DO YOU NEED

A deck of playing cards (remove Joker, Jack, Queen and King cards).

## HOW TO PLAY

PLAYER A

PLAYER B

1. Shuffle the cards.
2. Divide the deck equally amongst all players.  
(Each player should have the same amount of cards).
3. Place the cards face down. On "Go!" the players race to flip their cards over and sort them into even or odd number piles.
4. The player who finishes sorting their cards first, shouts, "Stop!"
5. Check that the cards have been sorted in to the correct piles.  
If they are all in the correct piles, the first player is the winner.
