The hobby store normally sells 10,576 trading cards per month. In July, the hobby store sold a total of 20,777 trading cards. How many more trading cards did the hobby store sell in July compared with a normal month?

The Tough One

Oliver arranged to have a party to celebrate getting his pen licence. He believed that 150 people were attending, and he wanted to have enough cheezels for everyone. He thought that each person would eat an average of 12 cheezels per hour, the party is going to last 16 hours. How many cheezels would Oliver need to order to make sure he had enough for everyone? Bonus: Oliver can buy cheezels in bags that contain 1200 in each. How many of these giant bags would Oliver need to buy?
